

immediately after Section 377 AE of said Article as enacted by Chapter 1013 of the Acts of 1945, and to read as follows:

377 AF. No resolution of the County Commissioners of Anne Arundel County regulating, licensing or permitting the operation of any contest, meet or event in Anne Arundel County, in which contest, meet or event any animals are used, or which depends upon the result of the running of any animals adopted pursuant to the powers vested in the County Commissioners to regulate, authorize or license contests, meets and events as set forth in Sections 377 A, 377 AB, 377 AC, 377 AD, and 377 AE of Article 2 of the Code of Public Local Laws of Maryland (1930 Edition), shall be so adopted or passed if the said resolution shall undertake to regulate, authorize or license the running of any horse trotting or harness race, provided, however, that nothing herein contained shall preclude the adoption of any resolution regulating, authorizing, or licensing any horse show or exhibition at which horse racing is not permitted.

SEC. 2. *And be it further enacted*, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and having been passed upon by a ye and nay vote, supported by three-fifths of all the members elected to each of the two Houses of the General Assembly of Maryland, the same shall take effect from the date of its passage.

Approved April 25, 1947.

CHAPTER 810.

(House Bill 663)

AN ACT to add two new sections to Article 43 of the Annotated Code of Maryland (1939 Edition), title "Health", sub-title "Hospitals", said new sections to be known as Section 496L and 496M, and to follow immediately after Section 496K of said Article, as said section was enacted by Chapter 210 of the Acts of 1945, designating the State Board of Health as the sole agency to represent the State for the purpose of Part C, Public Law 725 of the 79th Congress of the United States authorizing grants to States for construction and reconstruction of hospitals and health centers, and creating an Advisory Council on Hospital Construction to advise in connection therewith.
