

owner, tenant, renter or lessee of said riparian rights do not avail themselves of the privilege of locating the position where they desire to set their nets or haul seine each year within twenty days after receiving notice hereinafter provided from any other person who may desire to locate their nets or fishery in front of said riparian owner's property, then it shall be lawful for such person to locate or place their net or haul seine in front of said property; except that the notice to the owner or occupier shall not apply to the waters of Baltimore, Talbot, Caroline, Dorchester, Prince George's, St. Mary's and Charles Counties, where the permission of the shore owner shall always be necessary, nor shall anything herein contained be construed to grant any rights to fishermen by reason of such notice to fish upon any of the waters, nearer than 500 yards opposite any shore used as a pleasure resort so as to interfere with bathing or boating on such shore, without permission of the shore owner. The notice provided for above shall be mailed to the owner of the shore, or to the tenant, renter or lessee of such shore property. If the name and address are unknown, then such notice shall be posted for twenty days on a board fastened to a stake driven in the water directly in front of the property and at a distance not greater than 100 yards from shore. Nothing in this section shall be construed to permit any riparian owner or any one acquiring the rights of a riparian owner to fish with nets or seine in any manner or at any time prohibited in this Article. Provided that the provisions of this section shall not apply to Anne Arundel, Calvert, Queen Anne's, Kent and Somerset Counties.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1947.

Approved April 25, 1947.

## CHAPTER 827.

(House Bill 717)

AN ACT to repeal and re-enact, with amendments, Section 394, sub-title "County Engineer", of the Code of Public Local Laws of Prince George's County, Maryland (Flack's Edition, 1943), as amended by Chapter 933, Laws of Maryland, 1945, the purpose of the amendment being to redefine and expand the duties of the County Engineer and to
