

service of any of the foregoing without reference to the Superintendent.

957. The Board shall determine all questions of general policy relating to public recreation in and for those portions of the Maryland-Washington Metropolitan District, as defined in Chapter 1008, Laws of Maryland, 1943, and the Maryland-Washington Regional District, as defined in Chapter 992, Laws of Maryland, 1943, lying within Prince George's County or any territorial additions or extensions thereto in Prince George's County or to any other municipality, election, recreation, or other district or political subdivision in Prince George's County recommended by the County Commissioners and approved by the Board. The area or areas included within the Board's jurisdiction shall be described as the Prince George's County Recreation District.

The Board shall allocate, supervise, and direct the expenditure of all appropriations and/or other funds made available to it from whatever source; but no such funds shall be expended for or in any areas outside of the Recreation District.

958. The Board shall be guided by the following objectives:

(1) To provide an adequate and balanced recreation program to serve the varied needs and interests of people in the several age groups in the Prince George's County Recreation District;

(2) To provide facilities separated as to functions, so that individuals or groups having related recreational interests may pursue their activities unhampered by, and without interference with, those otherwise occupied; and

(3) To provide adequate distribution and sufficient number and area of each type of facility within the Recreation District.

In the location of recreational facilities in the Maryland-Washington Regional District, the Board shall be guided by the Master Plan of Recreation and/or proposals and studies preparatory thereto, developed by the Maryland-National Capital Park and Planning Commission as part of the general plan for the physical development of the Maryland-Washington Regional District, and by the recommendations of the Advisory Board to the County Commissioners of Prince George's County.

In the furtherance and accomplishment of the objectives set forth above, the Board shall have the power to adopt, conduct, direct, or cause to be conducted or directed under its supervision a comprehensive program of public recreation
