

472 (A). The corporate powers of said town shall be vested in and shall be exercised by, and that said town shall be governed by a Commission to be known as the District Heights Commission. Said Commission shall be composed of five commissioners, elected at large. The three commissioners now in office will continue to hold office until the expiration of their terms as specified in this Charter, and will have authority to appoint two additional commissioners, one of whom shall serve until the next annual election after the effective date of the amendment of the Charter, the other shall serve until the second annual election after the effective date of the Amendment of the Charter. Said Commissioners, when duly elected shall serve for a period of three years. Said Commissioners shall be selected and shall qualify as such commissioners in the manner provided for in this subtitle.

472 (I). Said Commission shall by resolution appoint a Town Treasurer to be known as the Treasurer of the Town of District Heights who shall also act as Clerk to said Commission. The Commission is hereby authorized to pay the Treasurer, as compensation, an amount equivalent to not more than ten per cent (10%) of the monies received by him for the benefit of the town, in any one calendar year payable in quarterly installments.

472 (M). The District Heights Commission may appoint a health officer in the same manner as other appointments are made, who shall be a reputable practicing physician duly licensed to practice within the State of Maryland, whose duty it shall be to have charge of and supervision over all matters of health and health regulations or ordinances within the town and he shall receive such salary or compensation as the said Commission shall fix. The Health Officer shall make as frequent inspections as may be necessary to maintain the public health and sanitary conditions of the town, and for this purpose he is vested with similar authority as exercised by other health officers of the State, Counties or other municipal corporations within the State of Maryland, within the corporate limits of the Town of District Heights. The health officer so appointed shall serve for a term of one year and may be reappointed for additional terms of one year each.

473 (A). The Town of District Heights and the District Heights Commission shall have power to adopt building, electrical, use and occupancy, and zoning regulations, and charge reasonable permit fees, and may appoint a building inspector
