

Printed on the ballots shall also appear the words "For Sale of Plant", "For Lease of Plant" or "For Connection of Plant", as the case may be, with a blank square opposite the right of said words, and immediately thereunder shall be the following words, "Against Sale of Plant", "Against Lease of Plant", or "Against Connection of Plant", as the case may be, with a blank square opposite the right of said words. And the voter shall indicate his choice by making a cross (X) in one of said blank squares. And the Town Commissioners of Centreville shall appoint the necessary officers to conduct the election with the usual pay for such duties as in regular town elections.

If an affirmative vote of two-thirds ($2/3$) of the qualified voters of the Town of Centreville (this shall not be taken to mean two-thirds ($2/3$) of those voting) cast upon said question shall be "For Sale of Plant", "For Lease of Plant" or "For Connection of Plant", as the case may be, then this Act shall be of full force and effect; but if an affirmative vote of two-thirds ($2/3$) of the qualified voters aforesaid shall be "Against Sale of Plant", "Against Lease of Plant" or "Against Connection of Plant, as the case may be, then this Act shall be void and of no effect, and the said Town Commissioners shall not sell, lease or connect said municipal plant, and any contract in the premises shall become null and void and of no effect.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1947.

Approved April 25, 1947.

CHAPTER 876.

(House Bill 855)

AN ACT to repeal and re-enact, with amendments, Chapter 451 of the Acts of 1943 relative to the authority of the Washington Suburban Sanitary Commission.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Chapter 451 of the Acts of 1943 be and it is hereby repealed and re-enacted, with amendments, to read as follows:

The Washington Suburban Sanitary Commission is hereby authorized and directed to adopt, formulate and promulgate rules and regulations for the construction, installation, and equipment of gas fixtures, devices, and connections
