

for terms of three years in the same manner as the members originally appointed, except that any person appointed to fill a vacancy prior to the expiration of the term for which his predecessor was appointed shall be appointed only for the remainder of such term. Each member shall serve until the appointment and qualification of his successor. All members of the Commission shall be citizens and bonafide residents of the State.

At least two members shall hold a valid private pilot's license.

No member shall receive any salary for his services but each shall be reimbursed for actual and necessary expenses incurred by him in the performance of his duties.

The members of the Commission may be removed by the Governor for inefficiency, neglect of duty, or malfeasance in office, upon being given notice in writing of the charge or charges made against him and an opportunity to appear in person and with counsel for the purpose of making such defense thereto as he may have.

(b) (Director of Aeronautics, Other Employees.)

(1) (Director—Appointment, Qualifications, Compensation.)

A Director of Aeronautics shall be appointed by the Commission who shall serve for an indefinite term at the pleasure of the Commission. He shall be appointed with due regard to his fitness, by aeronautical education, and by knowledge of and recent practical experience in aeronautics, for the efficient dispatch of the powers and duties duly vested in and imposed upon him. He shall devote his entire time to the duties of his office, and shall receive such compensation as may be provided in the State budget, and shall be reimbursed for all traveling and other expenses incurred by him in the discharge of his official duties. He shall hold a valid private pilot's license.

(2) (Director—Powers and Duties.)

The Director shall be the executive officer of the Commission and under its supervision shall administer the provisions of this Act, and the rules, regulations, and orders established thereunder, and all other laws of the State relative to aeronautics. He shall attend, but not vote at, the meetings of the Commission. He shall be in charge of the offices of the Commission and responsible to the Commission for the preparation of reports and collection and dissemination of data and other public information relating to aeronautics. At the direction of the Commis-
