

unless otherwise prescribed by the authority from which such moneys were received, shall be kept in separate funds designated according to the purposes for which the moneys were made available, and held by the State in trust for such purposes.

87. (State Airways.) The Commission may designate, design, and establish, expand, or modify a State airways system which will best serve the interest of the State. It may chart such airways system and arrange for publication and distribution of such maps, charts, notices and bulletins relating to such airways as may be required in the public interest. The system shall be supplementary to and coordinated in design and operation with the federal airways system. It may include all types of air navigation facilities, whether publicly or privately owned, provided that such facilities conform to federal safety standards. Such airways system, or parts thereof, is not, however, to be established except if after open hearing to interested parties it is found necessary to the safety and advancement of aeronautics in this State.

88. (Contracts — Law Governing.) The Commission may enter into any contracts necessary to the execution of the powers granted it by this Act. All contracts made by the Commission either as the agent of the State or as the agent of any municipality, shall be made pursuant to the laws of the State governing the making of like contracts; provided, however, that where the planning, acquisition, construction, improvement, maintenance, or operation of any airport, or air navigation facility is financed wholly or partially with federal moneys, the Commission as agent of the State or of any municipality, may let contracts in the manner prescribed by the federal authorities acting under the laws of the United States and any rules or regulations made thereunder.

89. (Exclusive Rights.) The Commission shall grant no exclusive right for the use of any airway, airport, or air navigation facility under its jurisdiction. This Section shall not be construed to prevent the making of contracts, leases, and other arrangements pursuant to Section 86 of this Act.

90. (Public Purpose of Activities.) The acquisition of any lands or interests therein pursuant to this Act, the planning, acquisition, establishment, construction, improvement, maintenance, equipment, and operation of airports
