NO. 11.

(House Joint Resolution 13)

A Resolution directing the Board of Supervisors of Elections of Baltimore County to investigate the feasibility of using voting machines in said county.

WHEREAS, the use of voting machines in Baltimore City has resulted in speedy and accurate returns of the results of elections with respect to Baltimore City; and

WHEREAS, in Baltimore County the population and the total number of votes cast at elections have grown to the extent that the use of voting machines bears consideration and study; and

WHEREAS, it is the sense of the General Assembly that reliable data with respect to the need for voting machines in Baltimore County and the cost of purchasing or leasing the same would aid in reaching a decision with respect to the use of such machines; now, therefore, be it

*Resolved by the General Assembly of Maryland*, That the Board of Supervisors of Elections of Baltimore County be and it is hereby directed to investigate and gather data with respect to the feasibility of using voting machines in Baltimore County, including data with respect to the cost of purchasing or leasing such machines; and be it further

*Resolved*, That the said Board report the result of its investigation at the next session of the General Assembly, together with its recommendations; and be it further

*Resolved*, That the Secretary of State be and he is hereby directed to send a copy of this Resolution to each member of the Board of Supervisors of Elections of Baltimore County.

Approved April 16, 1947
