

NO. 12.

(House Joint Resolution 14)

Requesting the State Planning Commission to make a study of streets and roads used for marketing farm products and present marketing facilities.

WHEREAS, studies have been made from time to time as to the inadequacy of the present marketing facilities in Baltimore City; and

WHEREAS, it seems desirable to have a further re-examination of this question, together with the study of the streets and roads leading to said marketing facilities; now therefore be it

*Resolved, by the General Assembly of Maryland, That the State Planning Commission be and it is hereby requested to make a complete and comprehensive study of the streets and roads over which farm products are brought to the present marketing facilities in Baltimore City, the origin of said farm products and the marketing facilities themselves; and be it further*

*Resolved, That the said Commission be and it is hereby requested to submit its report and recommendations, together with any proposed legislation, to the Governor, the Mayor and City Council of Baltimore and the Legislative Council on or before October 1, 1948.*

Approved April 16, 1947.

NO. 13.

(House Joint Resolution 15)

House Joint Resolution memorializing Congress to take favorable action on Senate Joint Resolution No. 74 and Senate Bill No. 649.

WHEREAS, in those provisions of the Internal Revenue Code relating to the imposition of the income tax, reference is made to the laws of the states to determine the income of any person who is married; and

WHEREAS, in those states which have community property laws only one-half of the income of a married person is taxed
