

(B) On the first Thursday in February of each year, and prior to certifying the tax rate to the County Commissioners, the Council shall hold a public meeting on its proposed budget for the forthcoming fiscal year. Notice of the time and place of such meeting shall be published at least once in a newspaper of general circulation in Montgomery County. Each such budget shall show the estimated expenditures during the forthcoming fiscal year for each of the purposes for which expenditures are authorized in Section 121 of this sub-title and the estimated receipts to be collected from the tax rate proposed to be set and from other sources, and shall also contain a similar report of receipts, and expenditures (including estimates for the balance of the fiscal year) and for the then current fiscal year. The Council shall hear all proper comments and suggestions pertaining to its proposed budget offered at the meeting, and shall give due consideration to them in determining finally the tax rate to be certified to the County Commissioners.

(C) The tax levied in accordance with this section shall be collected as all other county taxes, and the amounts so collected shall be paid over by the County Treasurer to the Secretary-Treasurer.

(D) The County Commissioners also shall order and have paid to the Secretary-Treasurer the proportion of the County road tax to be levied and collected in the same manner as though Chevy Chase View were an incorporated town; and for this purpose it is hereby declared that Chevy Chase View shall be considered as an incorporated town.

121. (A) All funds which shall be received by Chevy Chase View as its share of the County road tax shall be used by the Council directly, or through the Council, exclusively for the maintenance and repair of the county roads upon which Chevy Chase View abuts, and the streets, roads and lanes within Chevy Chase View that may have been dedicated to the public or to Montgomery County, whether accepted by the County or not.

(B) All other funds received by Chevy Chase View may be used by the Council directly, or through the Council, for construction; for maintenance and repair of streets, roads or lanes, sidewalks, parking, drainage, sanitation and other fillings in Chevy Chase View, including those streets upon which Chevy Chase View abuts; for street lighting; for clerical and other public services, including the removal of snow, ashes, garbage and other refuse, and disposition thereof; for enforcing such building, sanitary and other regulations for the wel-
