

corporation, or that may be received by him from any other person or persons, or from any other source, for the use of said corporation, and shall well and truly pay over to his successors in office, or to the order of said Commissioners, signed by the president, all said moneys, and shall perform all other duties of his office according to law and the ordinances of said Commissioners; he shall keep full and correct accounts of all moneys received by him, with the sources from which the same were received, and the dates of such receipts and of the disbursements made by him as aforesaid, with the dates thereof, and the persons to whom and on what account the same were made, and for what purpose.

287. All property in the town of Greensboro shall be assessed for all town taxes or assessments at the same value as said property is assessed for state and county taxes.

288. The Commissioners of Greensboro shall have the right to levy an additional annual tax or assessment on real property within the town limits for a public sewer or drainage system, not to exceed ten cents on the hundred dollars valuation of the same.

289. The taxes to be levied on the property so made liable to be valued and assessed shall be a lien on the real estate of the person so indebted from the day on which the levy shall be made by said Commissioners.

290. The said Commissioners may annually levy upon the assessable property within said town by a direct tax, not exceeding One Dollar (\$1.00) on the One Hundred Dollars valuation thereof, for the purpose of defraying and settling the expenses likely to be incurred by them on behalf of said corporation; and they may apply and appropriate the funds arising from such tax, as well as all other funds and moneys belonging to said corporation, in their discretion, in paying the cost and expenses of opening, closing, extending, widening, paving and improving the streets, alleys and grounds; for providing street lamps and lighting the same; for fire machinery and apparatuses; for the removal of garbage, obstructions and nuisances; for settling pumps and wells for drainage; for the building or laying of sewers; for restricting the spread of contagious diseases; for the payment to their officers or employees a reasonable compensation, and for such other purposes as in their judgment will benefit and subserve the public interest.

291. As soon after the expiration of the time for hearing appeals as is practicable, the said Commissioners shall pro-
