Notice of the same shall be given at the same time and manner as notice of the preceding registration sitting. It shall be the duty of the Mayor and Council on such evening to strike from the lists all those to whom notice has been mailed by the Clerk as ordered, who do not appear before them at that time and show cause why their names should not be stricken off the lists of qualified voters or who have not otherwise shown to them their qualifications as qualified voters, provided such notice has been mailed by the Clerk at least ten days before Revision Day. Any person feeling aggrieved by the action of the registration officials or the Mayor and Council shall have the right to appeal to the Circuit Court for Garrett County.

Whenever in the opinion of the Mayor and Council of Kitzmillersville a new general registration of all the qualified voters of said town is desirable, then the advertisement and notice of registration provided to be given in this Act shall clearly state the fact that all qualified voters are required to again register, whereupon the old registration lists shall be voided. But whenever a general registration of voters is held under this section in an election year, the officers of registration, in addition to sitting for this purpose on the first Tuesday in January, shall sit for such additional day or days as are designated by the said Mayor and Council and specified in such public notice.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1947.
