SEWERS

549A. The Town Commissioners of Trappe are hereby fully authorized and empowered to construct, establish, maintain in working order and operate a sewerage system and sewage disposal plant in the town of Trappe, Talbot County, Maryland, for the collection, transmission and disposal of drainage and sewage from the houses and other buildings, cess-pools, wells, sinks and other receptacles for sewage and drainage in said town, including also, if The Commissioners of Trappe shall at any time so determine, storm water and other drainage from the streets, lanes, roads and alleys of said town, and The Commissioners of Trappe shall have full power and authority to determine when and where, and in what order and under what streets, roads, lanes and alleys the sewers and drains of said sewerage system shall be constructed or laid, and to make contracts for the construction thereof, and shall have all the powers necessary or appropriate for said purposes and for the accomplishment of the objects thereof.

549B. The Commissioners of Trappe shall have full power and authority to acquire by purchase, lease, gift, devise or by condemnation in the manner prescribed in Article 33A of the Annotated Code of Maryland (1939 Edition), title "Eminent Domain", any lands or interest therein in the town of Trappe or in Talbot County, adjacent to said town, which may be needed for the disposal of said sewage or drainage, or for any pipes, sewers, buildings or other works or structures needed for the construction and operation of said sewers or disposal of said drainage.

549C. The Commissioners of Trappe shall have full power and authority to construct said sewers and drains in or under the beds of any of the streets, roads, alleys and lanes, and in or under any lots or parcels of ground belonging to or which it may acquire, and to connect therewith at the expense of The Commissioners of Trappe, or to require or cause all owners of property along the line of said sewer or drain to connect therewith, at the cost of said owners, their respective house or buildings, drains, sinks, wells, cesspools and receptacles of water or sewage, and full power and authority is hereby con-
