

sinks, cesspools, drains or other sewage receptacles, or to submit to their sealing up or filling up same at the expense of said owners, or occupants.

SEC. 5. *And be it further enacted,* That the Burgess and Commissioners of Funkstown shall have full power and authority to fix from time to time schedules of rates for the use of said sewerage system and sewage disposal plant by the owners and occupants of private residences and other buildings, and to collect said rates, which shall become a lien on the property so served, in the same manner as taxes are now collected. The funds thus received shall be first applied to the cost of maintaining, operating and keeping in repair said sewerage system, the balance at the end of each year to be applied to the payment of the interest on the bonds, the issue of which is hereinafter authorized to effect the purposes of this Act, and to the payment of said bonds, as same shall fall due, and for no other purpose whatsoever. However, should the revenue derived from the collection of the rates above-mentioned be inadequate for the successful maintenance and operation of said sewerage system or for other good and sufficient reason, the Burgess and Commissioners of Funkstown are hereby authorized to levy from time to time such taxes as may be necessary for the successful maintenance and operation of said sewerage system and sewage disposal plant.

SEC. 6. *And be it further enacted,* That the Burgess and Commissioners of Funkstown be and they are hereby authorized and empowered to borrow on the faith and credit of the town of Funkstown the amount of Fifty Thousand Dollars (\$50,000) and from time to time to issue and sell bonds not exceeding said sum of Fifty Thousand Dollars (\$50,000), said bonds to be signed by the Burgess of Funkstown and countersigned by the Town Clerk and with the corporate seal of said town affixed thereto. The entire proceeds of such bonds, after payment of costs of engraving and all other incidental costs and expenses connected with the issuance of such bonds, shall be used, either alone or in connection with any Federal or State funds which may be made available, for the purpose of constructing, installing, maintaining in working order and operating the aforementioned sewerage system and sewage disposal plant in the town of Funkstown, the said amount so borrowed to be used for no other purpose whatsoever.

SEC. 7. *And be it further enacted,* That the said bonds shall be issued in such denominations as shall be determined by the said Burgess and Commissioners of Funkstown, shall bear interest at a rate to be determined by said Commissioners, not in excess of four per cent. (4%) per annum, pay-
