

SEC. 17. *And be it further enacted*, That three-fourths of all the road and bridge taxes assessed and collected under State and County authority upon property within the limits of the Town of College Park or of payments in lieu thereof shall be paid by the County Treasurer of Prince George's County to the Town of College Park and shall be expended by the Mayor and Common Council of the Town of College Park for roads, bridges, walks, drainage, and other municipal improvements within the corporate limits.

SEC. 18. *And be it further enacted*, That those parts of the several County roads within the limits of the said Town and all roads, streets, avenues, or alleys which are now or shall hereafter be shown on any legally recorded plat or addition to the legally platted part of said Town as public highways and accepted by the Mayor and Common Council as such, are hereby made and declared to be public streets, avenues, and alleys of said Town. The Mayor and Common Council shall have authority to lay out, open, extend, and make new streets or alleys, and to alter, straighten, widen, grade, improve, or close, in whole or in part, any existing street or alley, as the public interest may require.

SEC. 19. *And be it further enacted*, That the Mayor and Common Council shall cause to be constructed in parts of the Town as they may determine to be necessary for the public benefit and future interest of the abutting property, owners, provided, however, that at least 51% of said property owners representing at least 51% of the front footage affected petition said Mayor and Council for said construction, and otherwise as provided in Section 20 hereof, sidewalks, curbs, gutters and streets, including the grading of said streets, and drainage facilities in the Town of College Park, the streets and sidewalks including curbs to be of such width as may be determined by the Mayor and Common Council and of a width sufficient for the needs of said streets; and the Mayor and Common Council shall assess at any time as the said Mayor and Common Council shall deem proper and after 10 days' notice to the owners of the land abutting said improvements, the entire costs thereof, including incidental costs, together with the costs of street and public alley intersections; provided, however, that when property fronts and abuts on two or more streets where such improvements are made or are about to be made, the abutting front feet along the side or sides of said property (the term "sides of said property" used in connection herewith shall mean the two longest sides of said property) shall be computed for the purpose of assessment hereunder as one-half of the total front feet on the side
