

desires to assume, that he or she has had a high school education or the equivalent thereof, and that he or she is a graduate from a regular recognized college of embalming whose course of instruction is not less than six months, comprising eight hundred and forty hours of study, and that said applicant has had two years of practical experience as an apprentice with a licensed embalmer in this State and that he or she registered as an apprentice with the State Board of Funeral Directors and Embalmers of Maryland at the time he or she started to serve his or her apprenticeship, then said applicant shall be examined theoretically and practically in anatomy, sanitation, disinfection, embalming, caring for and preparing for burial and shipment, of dead human bodies, and in the laws and regulations relating to contagious, infectious, and communicable diseases, and if said applicant shall pass said examination, the said Board shall issue to said applicant or applicants upon the payment of a fee of five dollars a license to practice the profession of embalming in the same manner as is provided in Section 299 of this Article, and shall register in the registration book provided in Section 299 of this Article such applicant or applicants as duly licensed embalmers. On payment of one examination fee, the applicant shall be entitled to two examinations and no more; and said Board shall hold such examination annually. All fees collected by said State Board of Funeral Directors and Embalmers under the provisions of this Article shall go to said State Board to be used by it for the purposes of defraying its expenses.

301. The said Board shall have the power at any time to suspend or revoke any license heretofore granted to carry on the business of funeral director or the profession of embalming on proper cause and after full hearing of all parties in interest. All persons receiving such license to practice embalming in this State who shall register before said Board as provided in this sub-title shall also register such fact at the office of the Board of Health in the city or county in which he or she proposes to practice said profession of embalming.

302. No license granted or issued to practice the profession of embalming under the provisions of this sub-title shall be assignable or transferable, and every license shall specify by name the person to whom it is issued.

303. The duties of an embalmer and the profession of embalming as referred to in this sub-title shall be and the same are hereby defined to be, the thorough disinfection of the human body or any part thereof by arterial and cavity injection.
