

Commissioners of Prince George's County shall appoint someone to fill such vacancy. The Board of County Commissioners of Prince George's County shall have full power to remove any member of the board for incompetency or improper conduct upon satisfactory evidence being presented to him of such condition.

440B. The members of said board shall respectively take and subscribe the oath required by other State officers. They shall have power to elect out of their number, a President, Secretary and Treasurer, and to adopt such rules and by-laws for the transaction of business of the Board as they may deem expedient.

440C. Each member of said board shall receive a compensation of five dollars (\$5.00) per day for actual service in attending meetings of the board, which compensation shall be paid out of any moneys in the hands of the Treasurer of said board; provided, that the Secretary of said board may receive such additional compensation as the board may deem just and reasonable, and for which the by-laws of the said board may provide; provided, however, that the compensation and expenses of said board shall in no event, be paid out of the funds in the State Treasury or become a charge against the State.

440D. Said board shall meet at least once in each month in Upper Marlboro, and shall hold special meetings as frequently as the proper and efficient discharge of its business shall require, and said board shall adopt such rules and regulations for the examinations of Master Electricians as herein defined, and for the placing, installing and operating electrical wires, appliances, apparatus or construction in, upon and about buildings in Prince George's County, and when so adopted, such rules and regulations shall have the same force and effect as if herein contained, and the rules of said board shall also provide for the giving of timely notice of such meetings to all those who shall have made application for a license as herein provided.

440E. The term Master Electrician, as used in this Act, shall be defined as and including any and all persons engaged in business of, or holding themselves out to the public as engaged in the business of installing, erecting or repairing, or contracting to install, erect or repair electric wires or conductors, to be used for the transmission of electric current for electric light, heat, or power purposes, or mouldings, ducts, raceways or conduits for the reception or protection of such wires or conductors, or to any electrical machinery, apparatus, devices or fixtures to be used for electric light, heat or power
