NO. 7.

Joint Resolution requesting the United States Congress to continue Federal appropriations for the control of Bang's Disease.

WHEREAS, the Federal program designed to combat Bang's Disease in cattle in Maryland has resulted in greatly reducing the prevalence of said disease, and has proven otherwise extremely beneficial to the cattle breeding and dairy industries in the State; now, therefore, be it

*Resolved by the General Assembly of Maryland, That the Congress of the United States be, and it is hereby, earnestly requested to continue the Federal appropriations for the control of Bang's Disease; and be it further*

*Resolved, That a copy of this resolution be transmitted by the Secretary of State of Maryland to each member of Congress from the State of Maryland.*

Approved May 18, 1937.
