from Chestertown and the old bridge road, and between two other short public roads connecting the two above mentioned highways, said parcel of land containing approximately one acre; and

WHEREAS, the County Commissioners of Queen Anne's County and the various residents in the community have petitioned the State Roads Commission that the same be taken over and improved by them as a park for the beautification of the approach to the bridge; therefore be it

Resolved by the General Assembly of the State of Maryland, That the State Roads Commission is hereby requested to take over from the County Commissioners of Queen Anne's County the parcel of land above described, and to beautify, improve and maintain the same as a public park and as an improvement to the Queen Anne's County approach to the Chester River Bridge at Chestertown.

Approved May 18, 1937.

NO. 22.

JOINT RESOLUTION requesting the Board of Public Works to pay out of the contingent fund appropriated to said Board in the State Budget for the years 1936-1937 the sum of Thirty-seven Hundred and Fifty Dollars ($3750.00) to William P. Stydinger on account of personal injuries sustained by him on June 19, 1929, while an inmate of the Maryland Training School for Boys in Baltimore County, a public agency of the State of Maryland for the care and reformation of white male minors, and while acting under orders of the Superintendent, who was discharging an official duty and was acting as an agency of the State.

WHEREAS, on June 19, 1929, the said William P. Stydinger and two other boys were sent by Mr. Harold E. Donnell, superintendent of the Maryland Training School for Boys, in the general direction of the cow barns to search for another inmate who had escaped, and while acting under orders as aforesaid the said William P. Stydinger was chased by a vicious bull belonging to the school, and while trying to get away from said bull he fell into a hole; and

WHEREAS, as a result of falling into said hole as aforesaid the said William P. Stydinger broke his leg and has been permanently crippled ever since; and
