## CHAPTER 156.

AN ACT to repeal and re-enact with amendments Section 406-J of Article 2 of the Code of Public Local Laws of Maryland (1930 Edition), title "Anne Arundel County", sub-title "Plumbing", as enacted by Chapter 402 of the Laws of 1935, to increase the fees payable to the Plumbing Commission of Anne Arundel County for issuance of permits and inspection of plumbing.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Section 406-J of Article 2 of the Code of Public Local Laws of Maryland (1930 Edition), title "Anne Arundel County", sub-title "Plumbing", as enacted by Chapter 402 of the Laws of 1935, be and it is hereby repealed and re-enacted with amendments to reads as follows:

406J. A minimum permit and inspection fee of One Dollar and Fifty Cents shall be made for a permit to connect any building or premises with a sanitary sewer or to a septic tank, cesspool, or other means of sewerage disposal. An extra or additional fee of Seventy-Five Cents shall be paid for each and every plumbing fixture installed.

For the installation of plumbing work or fixtures in buildings already connected with a public or private means of sewerage disposal, the minimum fee for permit and inspection shall be One Dollar and Fifty Cents, which shall include the installation of not to exceed one fixture. An extra or additional fee of Seventy-Five Cents shall be charged for each and every fixture in excess of one.

The minimum fee for permit and inspection, covering plumbing alterations inside or outside of any building, shall be One Dollar and Fifty Cents, which shall include the changing or moving of not more than one existing fixture, together with pipe and incidental work, or the installation or relocation of a septic tank or cesspool. An extra or additional fee of Seven-
