421G. "On sale" licenses shall be granted only to bona fide restaurants, incorporated clubs, and/or hotels. "On sale" licensees may serve beverages to bona fide guests only, to be consumed at regular public tables, or, in the case of hotels, may be served in guests' rooms; or such licensees may also sell for consumption off the premises, as provided in Section 421E.

The word "hotel", as used in this section, means any establishment for the accommodation of the public equipped with not less than six bedrooms, containing not less than one bed in each room, with sufficient covering therefor, and equipped with a public dining room furnishing not less than three meals per day, wherein the average daily receipts from the hire of rooms and the sale of cooked and prepared foods exceeds the receipts from the sale of "alcoholic beverages."

The word "restaurant", as used in this section, means any lunch room, cafe or other establishment furnishing meals to the public, wherein the average daily receipts from the sale of cooked or prepared foods exceeds fifty per centum (50%) of the receipts from the sale of "alcoholic beverages."

The word "club", as used in this section, means any corporation or association created by competent authority, which is the owner, lessee or occupant of premises operated solely for educational, social, patriotic, political or athletic purposes and not for profit.

421H. No person, firm, club, association or corporation shall sell, or offer for sale, in Harford County any of the beverages defined in this Act between the hours of one o'clock A. M. and seven o'clock A. M. on week days, nor between the hours of one o'clock A. M. and twelve o'clock noon on Sundays. No licensee under the provisions of this Act shall permit dancing on the premises, on which such licensee exercises the privileges granted hereunder, at any time on Sundays.

421-I. It shall be the duty of all holders of "On sale" licenses to keep complete and accurate books of account, in such form as may be hereafter prescribed by the Sheriff of Harford County, showing in detail the daily receipts from the hire of rooms and from the sale of cooked or prepared foods and the daily receipts from the sale of alcoholic beverages, which said books of account shall be open at all times to an inspection by the said Sheriff, or one of his deputies.

It shall be the duty of the Sheriff of Harford County to have frequent inspections made of the premises of all licensees; and, if it is found that any such licensee is violating any of the
