

ing five years, with interest on each said one-fifth from the date when said expense was incurred, and, thereupon, it shall be the duty of the said Treasurer, in preparing the tax bills for each of the said five succeeding years, to add the amount of one-fifth of said whole charge, with interest from the date when said expense was incurred, to the tax bill upon said property. And the said one-fifth so added, and interest thereon, shall be a lien on the property to the same extent, and be collectible in the same manner, as the County taxes thereon. Any person thus charged with the expense of such connection, as hereinabove provided, shall have a right of appeal therefrom to the Circuit Court for Baltimore County.

Any owner in default for failing to comply with the notice from the Commissioners to connect sewers and drains, as hereinabove provided, shall have the right to select the person to make the connections and do the other work herein required to be done by the Commissioners, and make the agreement with such person as to the cost of such work, and the Commissioners shall employ such person to do such work for the price so agreed on between such person and such owner, provided, the following conditions are complied with:

1. The owners shall notify the Commissioners in writing, within fifteen days after the receipt of the notice hereinabove provided for, of such owner's intention to select someone to do the work required by said notice and make contract with such person as to the cost of such work, and within thirty days after receiving the notice from the Commissioners, such owner shall deliver to them a written agreement between himself and the person selected by him to do the work required by such notice, which agreement shall state that the person so selected by the owner shall do all the work required by this Act to be done and in conformity with the requirements of this Act, and also an agreement signed by such owner agreeing that upon said work being done by the person so selected by such owner, and the expense so agreed upon being paid by the Commissioner, that such owner will repay the amount of such expense, in five equal annual instalments, with interest on each instalment from the time such work is done until paid, and that such instalments respectively and interest thereon shall be a lien on the property of such owners, and shall be added to the tax bills on such property for such years and collected in the same manner as the taxes on said property.

2. The agreement between the owner and the person to do said work shall not include any work beyond the work necessarily required to be done by said notice, and the Commissioners shall be satisfied with the price agreed upon by such
