

interest, and (4) any premium upon bonds retired by call or purchase as herein provided. The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of bonds, or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of bonds or of the trust indenture, any moneys in such sinking fund in excess of an amount equal to one year's interest on all bonds then outstanding may be applied to the purchase or redemption of bonds. All bonds so purchased or redeemed shall forthwith be cancelled and shall not again be issued.

Notwithstanding any of the foregoing provisions of this section, the Commission may, by resolution passed prior to the issuance of the bonds or in the trust indenture covenant to pay the cost of maintaining, repairing and operating any project or projects constructed or acquired under the provisions of this sub-title, and, inasmuch as such project or projects will at all times belong to the State, such resolution shall have the force of contract between the State and the holders of the bonds issued for such project or projects.

Upon the letting of a contract for the construction of a bridge or tunnel under the provisions of this sub-title, it shall be the duty of the Commission to proceed with the construction of any highways which may be necessary to connect such bridge or tunnel with State highways and to complete the construction of such connecting highways on or before the date such bridge or tunnel shall be opened for traffic.

114. CESSATION OF TOLLS. When the particular revenue bonds issued for any project or projects and the interest thereon shall have been paid, or a sufficient amount shall have been provided for their payment and shall continue to be held for that purpose, the Commission shall cease to charge tolls for the use of such project or projects, and thereafter such project or projects shall be free; provided, however, that the Commission may thereafter charge tolls for the use of any such project, if not prohibited by any Federal Law, in the event that tolls are required for maintaining, repairing and operating such project due to the lack of funds from other sources than tolls or in the event that such tolls shall have been pledged by the Commission to the payment of revenue bonds issued under the provisions of this sub-title for another project or projects. But any such pledge of tolls of a project to the payment of bonds issued for another project shall not be effectual until the principal and interest of the bonds
