

franchise of the Salisbury Water Company, the amount paid therefor shall not exceed the valuation placed upon the same by the Public Service Commission of Maryland at the time of said purchase.

321. Every public service corporation, company or individual, before it or they shall begin any construction in any street, road, alley or public highway within the City of Salisbury shall file with the Mayor and Council of Salisbury a plan of such construction showing the location and depth, in such street, road, alley or public highway, of the proposed main, conduit, pipe or other structure, which plans must be approved by the Mayor and Council of Salisbury before such construction is begun, and when approved no change shall be made in the physical location of anything shown upon said plan except upon the approval of the Mayor and Council of Salisbury. Whenever any public service corporation, company or individual shall begin to put any such main, conduit, pipe or other structure in any such street, road, alley or other public highway without first filing plans with the Mayor and Council of Salisbury and obtaining its approval as above specified, or shall, without the approval of the Mayor and Council of Salisbury make any change in the location of such mains, conduits, pipes or other structures, as shown upon the plans approved by the Mayor and Council of Salisbury, or any approved change therein, such action shall constitute a misdemeanor, punishable as prescribed in Section 338 of this sub-title, and the Mayor and Council of Salisbury may, when any such main, conduit, pipe or other structures interfere with the construction or operation of the water or sewer systems of the City or any of them, remove the same or change the location thereof.

332. For the purpose of making extensions beyond the City limits of Salisbury, which right is hereby expressly conferred upon the Mayor and Council of Salisbury for water supply and sewerage from time to time as it may deem necessary, all charges and expenses therefor shall be under the jurisdiction of the Public Service Commission of Maryland, which is hereby authorized and directed to review upon application by the Mayor and Council of Salisbury the cost of making such extensions, and the findings of the Public Service Commission shall be final except that there may be an appeal to the Courts from such findings, as is provided by law in the case of other determinations by the Public Service Commission. The Mayor and Council of Salisbury is hereby empowered, authorized and directed to appropriate from the funds collected pursuant to the authority of Section 335 of this
