

follow immediately after Section 562 of said Article, under the new sub-title of the above name, and to read as follows:

562A. (1) For the purposes of and as used in this Act, the term "Hog Pens" shall mean any building, shed, barn or other enclosure of any farm, lot, premises or portion of premises upon which one or more swine are kept and fed.

(2) For the purposes of and as used in this Act, the term "Garbage" shall mean the entrails or waste products of any animal, fish, or fowl; refuse animal or vegetable matter from a kitchen, market, store, or abatoir; or any admixture of these materials with other refuse or feeding material.

562B. All persons, firms or corporations engaged in the transportation of garbage over the highways of Prince George's County must have a permit from the Board of County Commissioners of Prince George's County; and such transportation of garbage must be handled as prescribed under this Act. The permit for the hauling of garbage must accompany the vehicle in which the garbage is being transported and must be shown on demand by any authorized officials. The provisions of this Act shall be enforced by an officer authorized to make an arrest in Prince George's County; provided, however, that nothing herein contained is to be construed to prohibit the hauling of garbage within the Maryland-Washington Metropolitan District of Prince George's County, where the person or persons so hauling said garbage has a permit for hauling the same, issued by the Washington Suburban Sanitary Commission, or is authorized to remove garbage by or for any municipality in said County.

562C. No hog pen where garbage is fed shall be established, maintained or operated within one-half ( $\frac{1}{2}$ ) mile of any public highway or within one-quarter ( $\frac{1}{4}$ ) mile of any residence, place of business, public school or other public building, except the residence or place of business of the operator thereof, his tenant or his agent, unless a license for such hog pen and for feeding garbage to such swine has been issued by the Board of County Commissioners of Prince George's County as prescribed hereinafter.

562D. Applications for a license required by Sections 562B or 562C of this Article shall be in writing addressed to the Board of County Commissioners of Prince George's County and shall set forth the following items:

- (1) The name or names of the applicant;
- (2) The method of transportation and places from which such garbage shall be procured and to which it will be de-
