Mr. Stevens submitted the following amendment:

Section 3, after the words "Baltimore city shall be divided  
into," strike out all down to the word "City," in the 35th  
line, and insert in lieu thereof the following words:

"Twenty Assessment Districts, upon the basis of the pres-  
ent division of the said city into wards; the first ward of said  
city, as at present laid out, shall constitute the first assess-  
ment district of said city; the second ward of said city, as  
now laid out, shall constitute the second assessment district  
of said city; the third ward of said city, as at present laid out,  
shall constitute the third assessment district of said city; the
