

the permanent board of registry to examine the entries of the several precincts for the purpose of eliminating the names of persons who have died or have removed from the County. It shall be the duty of said supervisors to direct that the registration cards or forms of registered voters who have not voted at least once at a primary, general or special election in the four preceding calendar years, shall be taken from the original and duplicate files and placed in a transfer file, and a printed postcard notice of the fact, with the information that his or her eligibility to vote has been cancelled by reason of his or her failure to vote for four calendar years, and that the voter must register in order to be eligible to vote, shall be sent to the last known address of such voter.

Any voter of Montgomery County on or before the twenty-first day prior to a general election may file with the Permanent Board of Registry at the Board's office objections to the registration of any person who, he or she has reason to believe, is not eligible to vote, or a request for the addition of any person whose name has been omitted or who has been erroneously dropped from the registries of any precinct of said County.

Application for the correction of any such precinct registry, or a challenge of the right to vote of a person named, or the addition of any person whose name has been omitted or who has been erroneously dropped from the precinct registries, may be made by any qualified voter of the County at the office of the Board not later than twenty-one days prior to a general election. Such application or challenges, with the reasons therefor, shall be filed on forms provided by the Board for that purpose and shall be attested by the oath of such qualified voter.

The two members of the Permanent Board of Registry, of opposite political parties, shall sit for the purpose of hearing applications for changes in such registries, or challenges of the right to vote of persons on such registry, on the Tuesday two weeks before an election between the hours of 10.00 A. M. and 4.00 P. M., and such other hours as the Board of Supervisors of Elections of Montgomery County may designate for the purpose. If all such applications or challenges be not determined on that day, such members of the said Board shall sit during the same hours on succeeding days until all cases are heard and decided. If such members of said Board are unable to hear all such cases within one week from the time when such sessions shall commence, the Supervisors of Elections shall appoint one or more Boards of two members each of opposite political parties to aid in hearing such applications or challenges, the said members to be appointed for each Board shall be appointed, one by the supervisors representing the majority party, and one by the supervisor representing the
