

Chapter 168.

AN ACT to create a new election district in Montgomery county, to be known as Barnesville district, number eleven, or the eleventh election district of Montgomery county, and to designate the voting place thereof, and to provide for the appointing of justices of the peace, an officer of registration of voters, and constables therefor; and to change the name and voting place of the third election district of said county, and to add a portion of said third election district of said county to the second election district of said county.

New election
district.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That a new election district be formed and laid out in Montgomery county, composed of portions of the second and third election districts of said county, the metes and bounds of which shall be as follows: Beginning for the same where the Gaithersburg and Barnesville road is crossed by Little Seneca creek, thence with said Gaithersburg and Barnesville road in the direction of Barnesville, and through the village of Boyds to where the said Gaithersburg and Barnesville road is intersected by the new cut road on the north side of said Gaithersburg and Barnesville road, about a half mile from said village of Boyds, and at the wheelwright shop of Hiram Stottlemyer; thence with said new cut road across the Baltimore road to where said new cut road intersects the Barnesville and Clarksburg road at the residence of Jerome Thompson; thence with said Barnesville and Clarksburg road for about a quarter of a mile in the direction of Barnesville to where said Barnesville and Clarksburg road is intersected by the road leading therefrom to Hyattstown; thence with said road leading to Hyattstown to where the same is crossed by the branch near the residence of John W. Nicholson; thence down and with said branch to where the same is crossed by the dividing line between Frederick and Montgomery counties; thence with said dividing line in a westwardly direction to the Potomac river; thence down and with said Potomac

Metes and
bounds.
