

moneys received on account of license fees, and expended on account of analysis; and any surplus arising from license permits or fines shall be placed to the credit of the public roads of Harford county.

SEC. 6. Any person or party who shall offer or expose for sale any commercial fertilizer or bone dust without complying with the provisions of sections one, two and three of this act, or shall permit an analysis to be attached to any package of such fertilizer stating that it contains a larger percentage of any one or more of the constituents named in section one of this act than it really does contain, shall be fined not less than two hundred dollars for the first offence, and not less than five hundred dollars for every subsequent offence; but the fines shall not be inflicted for violations of the provisions of this act more than once for violations on any shipment into this county, nor for any one lot, if made in Harford county; provided, however, that a deficiency of one per cent. of nitrogen, potash, ammonia, or four per cent. phosphoric acid claimed to be contained, shall not be considered as evidence of fraudulent intent.

Fine for violation.

SEC. 7. Suit may be brought for the recovery of fines and damages under the provisions of this act in the Circuit Court for Harford county; and all fines so recovered shall be paid to the clerk to the county commissioners, to be accounted for and to be disposed of by him in the same manner as the fees arising from licenses, as provided for in section five of this act.

Where suit to recover may be brought.

SEC. 8. The clerk to the county commissioners is hereby empowered to select from any package of commercial fertilizer or bone dust sold in Harford county, upon the request of the purchaser, a quantity not exceeding two pounds, which shall be securely enclosed in a tin or glass vessel and deposited with the said clerk, who shall properly number the same, but shall affix no other marks thereto; and the said clerk shall correctly record the number of the sample, by whom deposited, the date of the deposit, the name of the article, and such other information as may be furnished by the deposition of the sample; and the said clerk shall give to the said depositor a receipt for the sample, setting forth the number by which it is recorded, and the information

Select when requested.

Duty of clerk.
