

CHAPTER 44.

AN ACT to pay to John Quigly, a private in Battery B. first Maryland Light Artillery, the same amount of bounty which has been paid under the act of eighteen hundred and sixty-four, chapter fifteen, to other members of the said battery. Passed Feb. 8, 1866.

WHEREAS, It appears from the muster-in rolls, no file in the office of the Adjutant General of Maryland, that John Quigly a private in Battery B. first Maryland Light Artillery, having served a full term in said battery afterwards, to wit: on the fourteenth of March, eighteen hundred and sixty-four, re-enlisted but was then rejected by the surgeon, notwithstanding which he continued to serve as a private in said battery; and subsequently to wit: on the first day of April, eighteen hundred and sixty four, again enlisted, and was mustered in as a veteran, and served as such until the end of the war when he was honorably discharged from service, as appears from the muster-out rolls in the office of the Adjutant General aforesaid; *and whereas*; the case of the said John Quigly, in consequence of his temporary rejection by the surgeon in March, eighteen hundred and sixty-four, does not come strictly within the provisions of the act of eighteen hundred and sixty-four, chapter fifteen, but having performed the full service of a veteran he is justly and honorably entitled to the same bounty which has been paid to his comrades; now therefore, Preamble.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the Comptroller is hereby directed to issue his warrant upon the Treasurer to pay John Quigly the sum of three hundred and twenty-five dollars, this being the bounty allowed veterans under the act of eighteen hundred and sixty-four, chapter fifteen. Authority to issue warrant.

S. c. 2. *Be it enacted,* That this act shall take effect from the date of its passage. In force.
