

tion shall be in writing so far as said Board shall deem practicable, the Board shall cause the name and residence of such person to be registered in a book kept by it for that purpose, and shall issue to such person a certificate of registration, as evidence of his or her eligibility to practice dentistry, signed by the officers of the Board and sealed with its official seal, which certificate shall also state the name of the person to whom issued, and the date of such issuance.

The Board may, in its discretion, register without examination and issue a certificate to any person who has been graduated and admitted to the degree of Doctor of Dental Surgery or equivalent degree by any university or college incorporated and authorized to grant such degree by the laws of the United States, or any of its territories, districts or possessions, or by the laws of any State of the United States, and who has been duly registered and licensed to practice dentistry by a Board of Dental Examiners created and existing under the laws of the United States, or any of its territories, districts or possessions, or under the laws of any State of the United States.

Students of dentistry at a recognized college of dentistry who have completed their third year of study, and who may be certified by the dean of the college at which they are in attendance as having satisfactorily completed certain subjects which are included in the examination given by the Board, may on application be admitted by said Board to its regular examination upon such subjects and upon passing such examination shall be deemed to have absolved the requirements of the Board in such subjects.

Upon application of the board of managers or executive head of any bona fide general hospital in the State of Maryland, and upon the payment of five dollars the Board shall issue a certificate of limited registration to any individual of good moral character who shall furnish the Board with proof entitling such person to be examined for registration under this section of this Article. Such limited registration shall be for one year only and the date of expiration shall be plainly stated on the face of the certificate of registration. Such limited registration shall entitle the said applicant to practice dentistry only in the general hospital designated on his certificate of registration and only on bona fide patients (in patients) in said hospital and (out patients) in emergency and accident cases, even though outside the hospital, under the direction of a registered dentist employed or appointed therein and may be revoked by the Board at any time for cause.
