

cipality of this State, and the other fixed terminus of said route is not more than ten miles from the corporate limits of any such municipality or territory. For each such motor vehicle, including reserve and substitute vehicles, an annual fee shall be paid to the Commissioner of Motor Vehicles for certificates of registration issued by him, of Four Dollars (\$4.00) per each passenger seat, and no other additional fees, licenses or tax, shall be charged by the State or any county or municipal subdivision of the State, except the property tax and gasoline tax in respect to such vehicles and their operation. For each such motor vehicle, the Commissioner of Motor Vehicles shall furnish a distinctive marker or tag, which marker or tag shall be carried and displayed in such manner as directed by the Commissioner of Motor Vehicles.

200. It shall be the duty of each owner or operator of a Motor Vehicle used in the interstate transportation of freight or merchandise over State, State-Aid, improved County roads, and streets and roads of incorporated towns and cities in the State of Maryland, to pay unto the State of Maryland for maintenance of and to be expended on or with respect to the roads of the State a mileage tax of four cents (4c) for each gallon of gasoline or other motor fuel required to propel said vehicle over the route followed or to be followed by the same in Maryland, it being the intention hereof to require such owner or operator to contribute to the maintenance and widening of the road system of the State an amount equivalent to the tax payable in connection with the purchase of motor fuel by the owner or operator of all motor vehicles operated within the State. The number of gallons of gasoline to be so consumed by any motor vehicle within the meaning of this Act, shall be estimated and determined by the State Roads Commission. The State Roads Commission in the determination of the number of gallons so required shall consider all necessary and reasonable factors determining such gallonage.

201. The State Roads Commission shall collect this tax, establish tax stations for the purpose of collecting this tax and is authorized to make such expenditures as it may deem necessary to carry out this purpose. The State Roads Commission may, in its sole discretion, select, employ, discharge and replace all personnel required to carry out and enforce the provisions of this Act.

202. The State Roads Commission is authorized to locate and announce, by publication and signs, stations where
