

sion. All cesspools, sink drains and privies shall be abandoned and left in such a way that they cannot again be used nor injuriously affect the public health, said disposition to be determined by the Commission. Furthermore, all property owners, after due notice, shall disconnect from existing sanitary sewers in the area under the jurisdiction of said Commission, all rain water down spouts and storm water drains.

SEC. 8. *And be it further enacted*, That for the purpose of providing funds for maintaining, repairing and operating its sewerage and drainage systems and treatment works, including overhead expense and proper depreciation allowance, said Commission shall be empowered and directed to use so much of the funds received from taxation by the two agencies as provided under Section 6 of this Act, as may be deemed by them necessary.

SEC. 9. *And be it further enacted*, That said Commission shall have full power and authority to enter into any contract or agreement with the United States Government for the connection of the sewerage and drainage systems of the U. S. Naval Academy, or any and all other Federal property, with the system or systems of the Commission, for the disposal of sewage and drainage from the Sewerage District, and for the payment of necessary charges therefor by the United States Government; and to enter into any agreement concerning any other matter necessary, advisable or expedient, for the proper construction, maintenance and operation of the sewerage and drainage system and treatment works under its control or those under the control of the Federal authority. Any contract or agreement so entered into shall have the full force and effect of a contract between the United States Government and the State of Maryland.

SEC. 10. *And be it further enacted*, That this Commission may enter upon any State, county, or municipal street, road or alley, or any public highway, for the purpose of installing, maintaining and operating the sewerage and drainage systems and treatment works provided for under this Act, and it may construct in any such street, road or alley or public highway, a sewer or drain, or any appurtenance thereof, without the receipt of a permit or the payment of a charge; provided, that whenever any State, county or municipal highway is to be disturbed the public authority having control thereof shall be duly notified, and
