

against all taxable property in Anne Arundel County a sufficient sum to make up the deficiency. The Commission is authorized to pay the interest on any bonds it may issue out of the proceeds of the sale of said bonds, but not more than one year's interest may be so expended.

Section 432. For the purpose of paying the interest and providing the sinking fund for the bonds issued by said Commission as in this Act provided for the water supply, sewerage or drainage systems to be constructed, purchased or established under this Act, the said Commission is hereby empowered and directed to establish a proper and reasonable charge for connection with said water supply, sewerage and drainage system so to be constructed, purchased or established as aforesaid, and to fix an annual assessment on all properties, improved or unimproved, binding upon a street, road, lane, alley or right-of-way in which a water main, sewer or drain has been built. The said annual assessment shall be made upon the front foot basis, and the first payment shall when practicable be collected during the year which the construction is completed on the water supply, sewerage or drainage systems, or in which the systems are purchased or acquired. The said Commission for the purpose of assessing benefits shall divide all properties binding upon a street, road, lane, alley or right-of-way, in which a water pipe or sanitary sewer is to be laid, into four classes, namely: Agricultural, small acreage, industrial or business, and subdivision property, and the Commission may subdivide each of said classes in such manner as it may deem to be in the public interests. Whenever any water supply or sewerage project in said district or districts shall have been completed by March 31st, in any one year, regardless of when said construction was commenced, then the said Commission shall fix and levy a benefit charge as of the first day of January in which the project was completed upon all property in said district abutting upon said water main or sewer, in accordance with the classification or subdivision thereof, and shall in writing, notify all owners of said properties into which class and subdivision their respective properties fall and charge determined upon, naming also in said notice a time and place, when and at which time said owner will be heard. Such notice may be mailed to the last known address of the owner, or served in person upon any adult occupying the premises or in case of a vacant or unimproved property posted upon the premises. The classifica-
