(A) Every resident of said town having the qualifications of a voter under the laws of this State, who has resided in said town for three months immediately preceding the election at which such person proposes to vote, and who is duly registered as a voter in the said town under the provisions of the next succeeding section shall be entitled to vote in municipal elections in the said town, and no person shall vote in any such municipal election who does not possess the qualifications enumerated in this section; provided, however, that this section and the next succeeding section shall not apply to special elections held under the provisions of Section 960 (G) of this Charter. The residents of said town having the qualifications enumerated in this section shall on the first Monday in May next elect three persons not less than twenty-five years of age as Councilmen, who, together with the three Councilmen elected at the last general election, shall constitute the Council, all of whom shall have resided in the said town at least one year previous to their election and be legal voters and property owners therein. Thereafter on the first Monday of each succeeding May, three persons possessing the qualifications herein enumerated shall be elected as Councilmen. At the election to be held on the first Monday in May, 1934, and on the first Monday in May every second year thereafter, one of the three Councilmen to be elected shall be resident in that portion of the town lying within Prince George's County and two of the Councilmen to be elected shall be resident in that portion of the town lying within Montgomery County. At any such election the candidate resident in that portion of the
