

1 Georges County study done by the American University in
2 1954. Mr. Brooks, could we check into this further and
3 find out what the content of this study is and whether
4 copies of it would be available to us?

5 It is now nearly 5 o'clock, and I think that
6 unless someone else has something --

7 MR. BROOKS: I have an item of business, Mr.
8 Chairman.

9 THE CHAIRMAN: Go ahead.

10 MR. BROOKS: I suggested to you on the phone,
11 and I think very briefly, that perhaps we might contem-
12 plate a panel discussion for this Committee on the
13 morning of the Commission meeting. I don't think we can
14 have quite an elaborate panel discussion at that time as
15 we might otherwise desire because of the time limitation,
16 since we will be running into other committee meetings
17 that day.

18 I was thinking in terms of perhaps having two
19 persons there that morning to present points of views on
20 municipal governments. We have several recommendations
21 from the Advisory Committee on Intergovernmental Relations
