

1 related to this Commission, or this Committee.

2 You quote a Professor Powers as recommending
3 that the State Superintendent be appointed by the governor.
4 Is there anything in the recommendations of the Commission
5 which support this?

6 MR. RAVEN: I do not think so. This was dis-
7 cussed at the Seminar.

8 MR. BROOKS: Do you want this circulated to
9 the rest of the Commission, if you think what you drew in,
10 totally unrelated to the Commission, is pertinent to the
11 rest of your discussion? You might want to take that
12 back out of your discussion. There is no relation
13 between that Tuesday program and the work of the Commis-
14 sion.

15 DR. JENKINS: I hadn't heard of any such pro-
16 posals.

17 MR. RAVEN: This is beyond my comprehension,
18 Mr. Brooks. I don't know how the extension service of the
19 University of Maryland got into these. You were there,
20 Judge Gray was there, Mr. Eney was there, and made a pre-
21 sentation. It looked terribly official to me.
