

1 DR. SENSENBAUGH: I don't know whether you
2 would call the retirement fund for the State teachers
3 one of those or not. This is a sizable sum of money
4 and it is dedicated to the retirement program, and I
5 certainly wouldn't want to feel that anything could
6 ever happen that would permit the tapping of those
7 funds.

8 DR. JENKINS: As you must know, I want to
9 protect the schools, but for the life of me, I can't
10 see the value of this one.

11 MR. CASE: Any other questions, gentlemen?

12 MR. BROOKS: Mr. Chairman, I think it might
13 be well if we could include in this record a statement
14 by Dr. Sensenbaugh on his position on why any portion
15 of educational operations should be kept from the con-
16 trol of the head of the executive branch of government.

17 MR. CASE: Why they should be?

18 MR. BROOKS: That's right.

19 MR. CASE: Well --

20 DR. SENSENBAUGH: Are they?

21 MR. CASE: I don't understand the question.
