6 MR. PERKINS: That's right, we haven't cut
7 those programs.

8 MR. CASE: Mr. Smith, any questions? Mr.

11 under this State aid program, in this sense?

12 DR. SENSENBAUGH: There is a question of
13 what you call public schools. Are they public schools
14 or colleges?

15 DR. JENKINS: This is just either they are
16 or are not.

17 DR. SENSENBAUGH: The budget office hasn't
