

1 DR. JENKINS: The question I'm going to
2 raise, is this now under the State education? If the
3 community colleges are placed under a separate board,
4 then this would not be a subject of this constitutional
5 limitation.

6 DR. SENSENBAUGH: This brings up an item
7 I did want to make a suggestion to you on, before I
8 got away, on a proposal that your Committee has.

9 MRS. BOTHE: I'd like to hear it.

10 MR. CASE: If you will hold that until we
11 finish this financing problem. Mrs. Bothe, do you have
12 a question as to this financing program?

13 MRS. BOTHE: Yes. A lot of people seem to
14 be asking why the school fund should be separate and
15 apart, compared with, say, welfare. I think you made
16 a convincing argument that it is important to know what
17 is going to be coming in and to have it on touch, but
18 it is also important to other departments.

19 Why should education be singled out, as
20 compared to, say, welfare?

21 DR. SENSENBAUGH: I think education has a
