

1 the budget year the legislature could pass an act --
2 let me start over. The legislature could pass an act
3 that during the budget year reversions or amounts that
4 might revert could be switched to other departments.
5 Now, this could happen for all departments. It could
6 happen for the Attorney General. It could happen for
7 the Health Department. It could happen for Welfare.

8 So that there could be a complete inter-
9 change between departments of moneys that were con-
10 sidered toward the end of the year not to be funds that
11 are going to be used. Now, the question is even if the
12 legislature passed such an act, could it apply to moneys
13 appropriated in the current budget for education, in
14 view of Section 3 of Article 8? That is the issue.

15 MR. ENEY: But the point is that if you
16 answer that no, you would do it on the basis that the
17 school fund, as used in Section 3 of Article 8, meant
18 the money appropriated in the budget for school pur-
19 poses.

20 MR. CASE: That's right.

21 MR. ENEY: If it meant that, then you
