

1 MR. SMITH: Then you just reduce the amount
2 of the budget for the next year.

3 DR. SENSENBAUGH: I think that is just an
4 academic question and makes a nice discussion, but I
5 don't think it is at all practical.

6 MR. ENEY: I don't think it is an academic
7 question, Dr. Sensenbaugh, because your State laws may
8 provide for specific appropriations on the formula in
9 the next year. So, it merely wouldn't be a bookkeeping
10 or academic proposition.

11 MR. HOFF: It is a question of whether
12 school funds means anything.

13 MR. ENEY: Or, more broadly than that,
14 whether there should be a provision saying that school
15 funds, meaning any money appropriated for school pur-
16 poses, should never revert to the general fund, if they
17 are unspendable. That is the question --

18 MR. CASE: My question was specifically
19 limited to the budget year for which they were appro-
20 priated.

21 MR. ENEY: All right, but we're talking now
