

1 idea of school funds and take it out of the Constitu-  
2 tion and leave it to the legislature.

3 MRS. BOTHE: We have not so suggested, Mr.  
4 Case. We suggested that the way it is now written  
5 under education --

6 MR. CASE: Didn't you suggest that that come  
7 out entirely, the school fund?

8 MRS. BOTHE: Because of its being an anachro-  
9 nism, and we deferred to your Committee because we  
10 thought it was a finance rather than a philosophical  
11 question, the retention of the sense of Section 52.

12 MR. CASE: 52 hasn't got anything to do with  
13 what we're talking about.

14 MRS. BOTHE: Yes, it does, because we felt  
15 that the appropriations for school use should be in-  
16 violate, but that Section 3 of Article 8 didn't serve  
17 that purpose. Section 52 of Article 3 does, as we  
18 construe it, and we recommend that the intent be per-  
19 petuated under the Finance Committee.

20 MR. CASE: Very well. Does anyone else have  
21 anything to ask?
