

1 MR. BROOKS: I have a question, if we are  
2 through with the particular discussion of finance, I  
3 would like to return to the prior discussion which you  
4 postponed, Mr. Chairman. Would you like Mrs. Bothe to  
5 take the chair for that discussion?

6 MR. CASE: She can do that if she wants,  
7 because I've got to go.

8 MRS. BOTHE: If we could take advantage of  
9 the presence of these gentlemen to hold a meeting of  
10 the Miscellaneous Provisions --

11 MRS. FREEDLANDER: We have pending --

12 MR. HOFF: We have a question on the election  
13 of State superintendents.

14 MR. BROOKS: And related superintendents.

15 MRS. BOTHE: It would be a good opportunity  
16 for us to meet with them on those subjects and, if the  
17 Finance Committee would like to stay, we would like to  
18 have them.

19 MR. CASE: Well, I am overdue downtown right  
20 now. It is up to these gentlemen. I am through with  
21 them, so to speak. Thank you very much, gentlemen.
