

1 MR. PERKINS: No.

2 MRS. BOTHE: Mr. Perkins, would you propose
3 endowments or research grants from private people be
4 subject to the budget --

5 MR. PERKINS: All have been used to go
6 beyond salary scales we have provided, and this is
7 the problem with research grants. Because of the
8 grant they can go beyond the State salary structure,
9 which causes problems in the other schools.

10 MR. ENEY: It includes tuitions, too, you
11 see. That doesn't go through the Budget Bureau at all.

12 MR. PERKINS: Here is one example. We just
13 through the legislature created a division, put it in
14 the Budget Bureau, of data processing control for the
15 whole State of Maryland. Immediately, the University
16 says that they are exempt because they have funds.
17 Anyhow, we were asked to come to the meeting at the
18 University and they have hundreds of thousands of
19 dollars worth of computers over there.

20 So, our man is just as knowledgeable about
21 computers as the University people are. So, we get
