

1 argument are well represented by Mr. Pressman and I think
2 the opponents of deleting the provision have also been
3 very well represented by the spokesmen for the Episcopal
4 and Baptist churches.

5 However, it is disappointing to the Chairman
6 at least that we didn't have a larger representation
7 and cross-section of people present at this hearing. I
8 am wondering whether or not it indicates, as Mr. Pressman
9 has suggested, some lack of real interest in continuing
10 this provision in the Constitution. I think it certainly
11 might be interpreted that way.

12 So that the record can be absolutely clear,
13 I am going to ask the reporter to place into the record
14 people who were invited to this meeting and we can then
15 see who did and who did not attend.
