

1 THE CHAIRMAN: Thank you.

2 MR. MILLS: May I say probably as far as  
3 church representation who have been invited here Mr.  
4 Bunce, for example, my counter-part with the Methodist  
5 church is in Maine. Mr. Webber my counter-part with the  
6 Lutheran Church is also on vacation. August is a bad  
7 month for church men. I think I and Mr. Gresham seem  
8 to be the only unlucky ones stuck in town. I know of  
9 at least four church leaders on your mailing who are  
10 probably in town at this time.

11 THE CHAIRMAN: That might account for it.  
12 I didn't want to give the idea I don't think you are  
13 interested.

14 MR. MILLS: I agree it is disappointing.

15 THE CHAIRMAN: Perhaps they are interested  
16 but feel that not appearing here gives evidence of their  
17 feeling in the matter. What you are saying suggests that  
18 this may not be true.

19 MR. GRESHAM: Did you have any further  
20 response from this group, any statements?

21 THE CHAIRMAN: I don't think we did. Anything
