

1 such bank or banks as he may from time to time with the
2 approval of the Governor select.

3 MR. NOSSEL: That is right.

4 THE CHAIRMAN: My question is, should that be
5 there at all in the Constitution?

6 MR. NOSSEL: I think the provision as it
7 exists today is a good sound one. If you don't have
8 this in the Constitution, then you can get some radical
9 changes in the thing, where the money would be held by
10 agencies and expended by them for specific purposes.
11 You could have statutes that would so fragmentize the
12 State revenues that you really wouldn't know what you
13 were collecting.

14 MR. ENEY: Let me break in. I am puzzled.
15 Aren't collections by the registers and the clerks
16 deposited by them and then accounted for periodically with
17 the Treasurer?

18 MR. NOSSEL: Yes, they are; on a monthly basis.
19 They could. There is no reason why they couldn't be
20 deposited into the Treasury and disbursed from it when
21 distribution is made.
