

1 collector, counsel, certain responsibilities that are on  
2 this line of thought, isn't that right?

3 MR. NOSSEL: No. They actually go farther  
4 afield than this. For example, in the question of clerks  
5 and registers, we have to set the salaries of every  
6 employee in those offices, which is the function we don't  
7 like one bit.

8 MR. SAYRE: That could be as easily set else-  
9 where, is that right?

10 MR. GOLDSTEIN: That should be under personnel.

11 MR. SAYRE: That is a function for which you  
12 don't have to be responsible?

13 MR. NOSSEL: We have to be now.

14 MR. GOLDSTEIN: That is purely done by statute.

15 MR. NOSSEL: We would like to get rid of it.

16 MR. GOLDSTEIN: You have got 29 Clerks of  
17 Court, 6 in Baltimore City, one in each of the 23 Counties.  
18 You have got 24 Registers of Wills offices. We have to  
19 set the salary for the elected official, which is then  
20 done with the approval of the Board of Public Works,  
21 which was done this past Tuesday.
