

1 government. This has been my experience since I have  
2 been in government. Look around the country. Take  
3 North Carolina. They elect their State Treasurer. He  
4 can't be in the banking business. They have it spelled  
5 out, he can't be in the banking business. They have the  
6 Auditor General, which does the same function as the  
7 Comptroller of Maryland.

8 THE CHAIRMAN: Anything else?

9 MR. SAYRE: I am just wondering also about --

10 MR. GOLDSTEIN: You have a theory that hasn't  
11 been put into practice.

12 MR. SAYRE: But it has.

13 MR. GOLDSTEIN: We are talking about Maryland.

14 MR. SAYRE: I think Maryland benefits by the  
15 fact it does have such a short ballot on a Statewide  
16 basis. It might benefit more if it were shorter.

17 MR. GOLDSTEIN: It is not on a State level,  
18 but on a County level.

19 THE CHAIRMAN: May I make an observation here?  
20 Mr. Sayre has got a theory, it is not Mr. Goldstein's  
21 theory, and actually we are here today to find out what
